MEMORANDUM FOR: See Distribution

FROM: C/HL/LLD/OEXA

SUBJECT: Proposed Travel Regulations

REFERENCE: Letters to Latimer (HPSCI) and Simmons (SSCI), dated 11 March 1982,
EA 82-0560/A, EA 82-0560/B

1. Reference letters forwarded Subject Regulations to HPSCI and SSCI Staff Directors as required by Section 501 of the FY82 Intelligence Authorization Act. On Tuesday, 23 March, the undersigned was notified by HPSCI Chief Counsel Mike O'Neil that the Committee has no problem with the proposed regulations and, as far as the Committee is concerned, the Agency can implement them whenever we wish.

2. The undersigned also contacted Rob Simmons, SSCI Staff Director. Rob said that he had circulated the proposed regulations to selective SSCI staffers for comment. He is currently awaiting such comments, noting that he would be in touch as soon as he has all the comments in.

3. By my count, the 30 days mentioned in House Report 97-101, Part 1, tolls on 10 April. It would appear that we should wait until the 10 April date unless notified earlier by SSCI. I will advise as soon as Mr. Simmons provides us with his comments.
